Attention: Office of Petitions

PETITION UNDER 37 CFR 1.183
TO WAIVE REQUIREMENTS OF 37 CFR 3.81
& INCLUDE SECOND ASSIGNEE'S NAME ON PATENT

Dear Sir:

This is in response to the Decision mailed October 22, 2007, a copy of which is attached.

This is a petition under 37 CFR 1.183 requesting that the requirements of 37 CFR 3.81 be waived.

At the time of payment of the issue fee, an inadvertent error was made by the previous attorney of record in this application, in the indication of the assignee's name in Box 3 of the Issue Fee Transmittal Form (PTOL-85).

-2-

The correct name of the assignee, which should appear in Section [73] of the title page of the patent document, should be:

Hynix Semiconductor Inc. of Kyoungki-do, Republic of Korea.

An Assignment from the inventor to Hynix Semiconductor Inc. was recorded on May 24, 2001 under Reel/Frame 011847/0661 in applicant's parent application, Serial No. 09/863,448 filed May 24, 2001, which issued as Patent 6,501,124.

The subject Patent (No. 6,809,966) is a division of U.S. Serial No. 10/196,126 filed July 17, 2002 (Patent 6,635,531), which is a division of U.S. Serial No. 09/863,448 filed May 24, 2001 (Patent 6,501,124).

Copies of the following documents, in support of this petition, are also attached:

1. A current copy of the Patent Assignment Details from the USPTO website (obtained June 18, 2008), which reflects the details of the Assignment recorded in favor of Hynix Semiconductor Inc. in applicant's parent application, Serial No. 09/863,448.
2. Patent Assignment from U.S. Serial No. 09/863,448 filed May 24, 2001, which includes a conveyance of rights to any continuations, divisions, etc. filed from this parent application.
3. Power of Attorney recently submitted, which includes a Statement Under 37 CFR 3.73(b). The Statement Under 37 CFR 3.73(b) is signed by an officer of Hynix Semiconductor Inc., the assignee of the entire right, title and interest in the patent by virtue of the Assignment recorded on May 24, 2001 at Reel/Frame 011847,0661.

Please charge our Deposit Account No. 12-0400 in the amount of \$130 to cover the petition fee set forth in 37 CFR 1.17(h). Should any additional fee be deemed necessary, the Commissioner is authorized to charge our Deposit Account No. 12-000 in the amount thereof.

Favorable consideration of this petition as well as the issuance of the Certificate of Correction, which is being requested simultaneously herewith, is respectfully requested.

Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule(s) 1.322 and/or 1.323.

Assignees' names and addresses (assignment data) printed in a patent, are based *solely* on information supplied in the appropriate space for identifying the assignment data, i.e., item 3 of the Issue Fee Transmittal Form PTOL-85B. Granting of a request under 37 CFR 3.81(b) is required to correct applicant's error providing incorrect or erroneous assignment data, *before* issuance of a Certificate of Correction, under 37 CFR 1.323 (*see Manual of Patent Examining Procedures (M.P.E.P) Chp.1400, sect. 1481*). This procedure is required *at any time after the issue fee is paid*, including after issuance of the patent.

In view of the foregoing, your request, in this matter, is hereby denied.

A request to correct the Assignee under 37 CFR 3.81(b) should include:

- A. the processing fee set forth in 37 CFR 1.117(h) (currently \$130);
- B. a statement that the failure to include the correct assignee name on the PTOL-85B was inadvertent; and
- C. a copy of the Notice of Recordation of Assignment Document, reflecting the reel and frame number where the assignment(s) is recorded and/or reflecting proof of *the date* the assignment was submitted for recordation.

In the Request, Applicant(s) may request that the file be forwarded to Certificates of Correction Branch, for issuance of a Certificate of Correction, if the Request is granted.

Any request under 37 CFR 3.81(b) should be directed to the following address or facsimile number:

By mail: Mail Stop PETITIONS
Commissioner for Patents
Post Office Box 1450
Alexandria, VA 22313-1450

By hand: Customer Service Window
Mail Stop Petitions
Randolph Building
401 Dulany Street
Alexandria, VA 22314

By fax: (571) 273-0025
ATTN: Office of Petitions

If a fee (currently \$100) was previously submitted for consideration of a Request for Certificate of Correction, under CFR 1.323, to correct assignment data, no additional fee is required.

REQUEST FOR CERTIFICATE OF CORRECTION
DUE TO APPLICANT'S MISTAKE (37 CFR 1.323))

Dear Sir:

This is a Request for Certificate of Correction to include the correct name of the assignee (Hynix Semiconductor Inc.) on the title page of the patent.

A petition under 37 CFR 1.83 to correct the name of the assignee is being submitted simultaneously herewith.

At the time of payment of the issue fee, an inadvertent error was made by the previous attorney of record in this application, in the indication of the assignee's name in Box 3 of the Issue Fee Transmittal Form (PTOL-85).

The correct name of the assignee, which should appear in Section [73] of the title page of the patent document, should be:

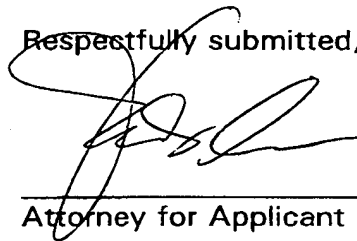

Hynix Semiconductor Inc. of Kyoungki-do, Republic of Korea.

-2-

Attached is Form PTO/SB/44, which is believed to be suitable for printing.

As the correction is not due to the Patent Office's mistake, please charge our Deposit Account No. 12-0400 in the amount of \$100. Should any additional fee be deemed necessary, the Commissioner is authorized to charge our Deposit Account No. 12-0400.

Respectfully submitted,

Attorney for Applicant
